

# Behaviour Change (Peer Education)

## Peer Education (Behaviour Change with Evidence) – Workplace or Youth – Accredited

### **This course is:**

- A 5-day face-to-face unit standard aligned intensive training focused on the mechanism of peer education.
- Workplace or Youth Programme participants are equipped to harness the leadership capital across specific or across all workplace or school and community levels to design and implement peer education interventions.
- Be equipped to bring about sustained changes in norms, culture and processes in line with your organization's strategy for individual, group and community transformation.

**“This is the best training I have ever attended to equip me to develop people” (Quote from participant)**  
**“This is a must for those who have experienced the digital course as a foundation.”**

This course will cover lessons learnt through 14 years of implementing a tried and tested behaviour change and leadership model using the methodology of **gold Peer Education**. Through this intensive training you will be equipped to harness the influence that opinion leaders have over their peers/colleagues to bring tangible changes to **businesses, schools and communities**.

At the heart of the **gold** methodology is the proof that the message giver is the strongest message.

# 5-day training programme
